### **Sunshine Solar announces the acquisition of the utility scale foundation installer Terra Posts PV LLC by its affiliate Bravo, LLC**

*Marietta, GA:* Sunshine Solar announced today that its affiliate Bravo, LLC (“Bravo”) has executed a definitive agreement to acquire Terra Posts PV, LLC (“Terra”), a large utility scale solar foundation installer.

Terra Posts PV owns and operates a fleet of ten state of the art GAYK pile driving machines and accompanying equipment and vehicles. The company has installed over 1 GW of solar foundations across the country.

Steve Newby, Chairman of Sunshine Solar and Managing Partner of Bravo commented, “We are very excited to announce the acquisition of Terra Posts PV LLC. Terra Posts PV is one of the leading solar foundation installation companies in the U.S. with a well-known reputation with some of the largest EPC, developers, and owners in the solar industry. David Sharrow, Terra Posts Vice President of Operations, will be joining our team and we are excited to bring his wealth of knowledge and experience to our existing operations. The acquisition will greatly enhance Sunshine’s capabilities in utility scale mechanical installation and help us better serve our client’s needs.”

#### **About Sunshine Solar, LLC**

Sunshine Solar is one of the leading mechanical solar installers in the country. We are here to ensure your project is successful from start to finish. Our customer base includes many of the top Fortune 500 companies and EPC's nationwide. We are a full service mechanical solar installer and can tailor our services to your project needs. From geotechnical work to driving piers, installing racking and modules for solar fields, roof-tops and parking decks, we employ a highly skilled work force and are able to utilize safe work practices and quality control methods to ensure your success. Sunshine Solar is headquartered in Marietta, GA. ([www.sunshinesolar-llc.com](http://www.sunshinesolar-llc.com))

#### **Terra Posts PV LLC**

Terra Posts PV is a leading solar foundation installer with over 75 years of combined construction and solar experience.
